Call for papers

Symposium GG: **Fiber-Reinforced Cementitious Composites**, during the MRS Fall Meeting, Boston, MA, USA, December 2–6, 2002. Papers are solicited in the following areas: 1) Bonding properties; 2) Toughening mechanisms; 3) Processing, rheology, and fiber dispersion; 4) Failure mechanism; and 5) Modeling. Abstract deadlines (no late abstracts accepted): June 5, 2002 for abstracts sent via fax or mail; June 19, 2002 for abstracts sent via the MRS Web Site. Web-site submissions will be accepted beginning May 19, 2002. Web-site submittal: www.mrs.org/meetings/fall2002/ For other details and guidelines, please refer to www.mrs.org/meetings or contact one of the organization committee: David Bonen <dbonen@usg.com> Surendra P. Shah <s-shah@nwu.edu> Arnon Bentur <bentur@tx.technion.ac.il>

The International Conference on **Performance of Construction Materials in the New Millennium** will be held in Cairo, Egypt, February 18–20, 2003. The conference theme is **A New Era of Building** and is co-organized between Ain Shams University Cairo, Egypt, and the University of Calgary, Calgary, Canada. Interested authors are invited to submit an abstract of 200–300 words (preferably by e-mail) to Dr. Mahmoud Reda Taha, Conference Convenor at icpcm@ucalgary.ca. For information about the conference scope, organizing committee and sponsors and all other details, please visit the conference web page <http://www.ucalgary.ca/~icpcm>

15th International Conference on Building Materials “**ibausil**” will be held in Weimar, Germany, September 24–27, 2003. The main topics of the conference are grouped according to materials and will deal with problems of both basic research and applied science, ranging from new buildings and revitalization to the preservation of monuments: 1) Inorganic binders; 2) Concretes; 3) Durability of concretes; 4) Walling materials/Reconstruction; 5) Exhibition of products and production processes. Authors are requested to send abstracts (not more than 1/2 page) by November 1, 2002. Each presenter may submit only one paper, but co-authorship on other papers is possible and welcome. Authors will be notified of acceptance by January 31, 2003. The papers accepted will be published in the conference proceedings. For this purpose, the complete text of the papers must be submitted to the organizing committee by May 31, 2003. Information: ibausil@bauing.uni-weimar.de Internet/web: www.ibausil.de
