## Cement and Concrete Research

journal homepage: <http://ees.elsevier.com/CEMCON/default.asp>

### Publisher's Note

Review article entitled **'The effect of supplementary cementing materials on alkali-silica reaction: A review'** doi:10.1016/j.cemconres.2010.11.003 was removed from CEMCON 41/3 pages 209–216 and replaced with the following article entitled **'The effect of silica availability on the mechanism of geopolymerisation'** doi: 10.1016/j.cemconres.2011.02.001.

Please note that Review article **'The effect of supplementary cementing materials on alkali-silica reaction: A review'** will appear in a future issue of 'Cement and Concrete Research'.
