

## Erratum

N. Petranović & D. Minić: Metal phases in zeolite matrix: Electric and electrochemical properties.

*Ceramics International* Vol. 22, No. 4, pp. 317–320, 1996.

The wrong figure was inserted in place of Figure 2. The correct figure is shown below.

**Fig. 2.** Conductivity measurements in the form of an Arrhenius plot for zeolite  $\text{Ag}_x\text{Na}_{85-x}\text{-X}$ . D samples:  $x = 9.4$  (●),  $x = 20.1$  (△),  $x = 55.6$  (▲), ND samples:  $x = 9.4$  (■),  $x = 20.1$  (□).
