The Publisher regrets that when the above article was printed, an error appeared in the title which is corrected below.

“Sintering behaviour of borosilicate glass-ZrO₂ fibre composite materials”

Eq. (3) and the text immediately after contained errors which are corrected below.

$$\dot{\varepsilon} = \frac{\dot{\rho}}{\rho} \tag{3}$$

where $\dot{\varepsilon}$ is the densification rate, $\dot{\rho}$ the derivate of the densification curve and ρ the relative density.
